

As you are aware, the 2005 Adequate Yearly Progress (AYP) determinations were published August 19th. The calculations and rules for determining AYP have been outlined in a document called "Understanding Your Adequate Yearly Progress (AYP)". This document is now available on the web at:
<http://dese.mo.gov/divimprove/sia/dar/Understandingyourayp.pdf>

For questions regarding MAP data or AYP calculations, please contact the Data Analysis and Reporting section at 573-751-6849.

For questions regarding No Child Left Behind or the consequences of not making AYP, please contact the Federal Instructional Improvement Area Supervisor in your region or contact the Instructional Improvement section at 573-751-9437.
